Become a Sponsor and Join Us In Our Mission!

When you become a Butterfly Children's Charities sponsor, your sponsorship dollars support our mission: **making a positive change in the lives of abused, neglected, and orphaned children, both at home and abroad.**

Butterfly Children's Charities is a homegrown South Florida organization, providing fundraising and support to Liberty Children's Home (through the MYTQuinn Foundation), an orphanage in Ladyville, Belize; and SOS Children's Villages in Coconut Creek, FL.

Much of what we do is about funding the essentials — housing, education, medicine, food, clean water. But we also believe that childhood shouldn't *just* be about the essentials. That's why we also work with our local community members and businesses to give these children the same kinds of experiences and memories that we want for our own kids: parties, play dates, and field trips. Many of these kids have experienced trauma and abuse at a young age, and too rarely have they been able to experience the kind of childhood magic that they deserve. **Your contribution will help us create that magic, and ensure that these children are safely housed, cared for, and educated.**

We hope you'll come and work with us!

About Butterfly Children's Charities

Who We Are

We're a 100% volunteer-run group, started in 2018 by a group of women from the Parkland, Coconut Creek, and Boca Raton area in South Florida. When we started, we were just a few South Florida moms trying to help kids in need. Today, we have grown into a group of friends, partners, neighbors, and local community members working together to make a difference in the lives of underprivileged children, both locally and internationally.

What We Accomplished in 2022

Fundraising.

Our two primary annual fundraisers are the Butterfly Ball and the Butterfly Birdie Classic golf tournament. In 2022, the 2nd annual Butterfly Birdie Classic and the 3rd annual Butterfly Ball together **raised \$106K+ in net proceeds**. The money we raised via donations and sponsorships from our headlining events are allocated by our partners at Liberty and SOS towards their greatest needs, funding everything from the children's basic health care and housing, to their school supplies and summer enrichment activities.

Community Events.

In addition to fundraising, we work to give the kids the opportunity to be just that — kids. We organize and host several family-friendly community events at SOS such as ice cream truck playdates, weeknight dinners, and arts-and-crafts days; and each holiday season, we collect gifts to send to the children at Liberty. The Holiday & Event Fund that we started in 2022 is specifically designated to finance these special experiences for the kids.

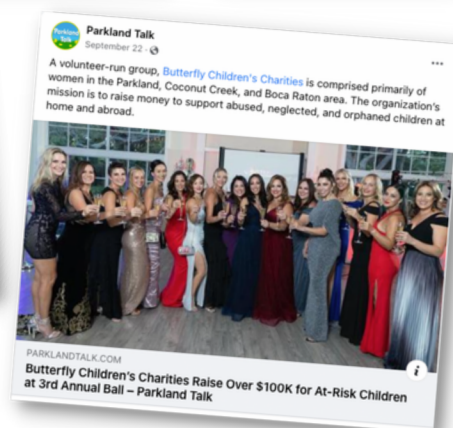

Scenes from our fundraisers and community events

5. **Butterfly Children's Charities:** The volunteer-run organization of mainly women in the Parkland/Coconut Creek/Boca Raton area held its second charity golf tournament in Deerfield Beach. The event, staged at Deer Creek Golf Club, raised funds for SOS Children's Villages in Coconut Creek and Liberty Children's home in Belize as part of its mission to support abused, neglected and orphaned children at home and abroad.

Our Headlining Fundraisers:

Butterfly Birdie Classic

Our annual Butterfly Birdie Classic charity golf tournament brings in both locals and out-of-towners to enjoy a morning of golf with friends, colleagues, and clients in support of the kids at Liberty Children's Home and SOS Children's Villages Florida. Participants also enjoy a variety of games and raffles, a boxed breakfast, a sit-down lunch reception with open bar, and a gift bag to take home.

This year, the 3rd annual Butterfly Birdie Classic will be held at the **Jacaranda Golf Club** in Plantation, Florida on **May 19, 2023**.
